

Supervisor Laboratory Services
MultiCare Health System - Good Samaritan Hospital
Puyallup, WA

The reasons to work at MultiCare are as unique as the people who do. Join us for the professional challenges you seek. In the settings you prefer. With schedules that fit your life. Learn more at www.multicarejobs.org

Position Summary:

The Supervisor of Laboratory is responsible for maintaining the integrity and the smooth daily operation of the Laboratory and for the direct supervision of personnel. This position supervises Medical Technologists, Medical Laboratory Technicians, and/or Lab Assistants. Work situations are varied and require strong leadership skills, organization, prioritization, accuracy, discretion, good judgment, and independent decision-making. Major decisions are subject to the review and approval of the Director. External contacts include physicians, pathologists, and physician office staff. Internal contacts are primarily with the hospital units.

This is a full-time position with a great benefits package. Day shift with flexible hours. Must be available to work some evenings as needed.

Minimum Requirements:

- 3 years of laboratory experience
- Previous experience and demonstrated skills in a supervisory or lead capacity
- Experience in Hospital Laboratories preferred, including Blood Bank, Microbiology, Chemistry, Hematology, phlebotomy, referral tests and all aspects of the Laboratory

Education/Licenses/Certifications:

- Bachelor's degree
- Medical Technologist MT (ASCP) or equivalent
- ASCP certification as a Medical Technologist

About MultiCare:

MultiCare Health System is a not-for-profit health care organization committed to our mission of "partnering for healing and a healthy future." Our 18,000 team members (employees, providers and volunteers) are united by MultiCare's values of respect, integrity, stewardship, excellence, collaboration and kindness.

Our roots date back more than a century to the founding of Tacoma's first hospital. Since then, we've grown to become Washington State's largest community-based, locally governed health care system with numerous primary care, urgent care and specialty services — including Immediate Clinic, MultiCare Indigo Urgent Care, Pulse Heart Institute and MultiCare Rockwood Clinic. Our system of care also includes eight hospitals: Allenmore Hospital (Tacoma), Auburn Medical Center (Auburn), Covington Medical Center (Covington), Deaconess Hospital (Spokane), Good Samaritan Hospital (Puyallup), Mary Bridge Children's Hospital (Tacoma), Tacoma General Hospital (Tacoma), Valley Hospital (Spokane).

MultiCare is an equal opportunity employer. Hiring decisions are made without regard to race, color, religion, national origin, sexual orientation, gender identity, disability, veteran status or age.
